

REDESIGN CHALLENGE

2023-2024

Judging Criteria

Thank you for your interest in Unwiring's ReDesign Challenge. We will be judging all submissions utilizing a point-based system. Please use the table below as a reference for your submission, and the category point "weights."

<u>Category</u>	<u>Description</u>	<u>Weighting</u>
Impact	<ul style="list-style-type: none">• Explains the relevance of the issue• Explores the societal and personal consequence(s) of the issue• Includes strong reasoning as to how the proposed solution would mitigate or solve the issue• Proposes a thoughtful, original, and creative idea	50%
Actionable	<ul style="list-style-type: none">• Proposes a practical and implementable solution• Bonus: includes specific steps to implement the proposed idea	40%
Quality & Effort	<ul style="list-style-type: none">• Demonstrates interest and care in the submission• Filmed horizontally and with good lighting	10%
